ABOUT ME

Prospective Master's applicant with a Bachelor's degree in Urban and Regional Planning, possessing strong academic training in transportation planning, GIS-based spatial analysis, and disaster risk management. Research interests focus on urban mobility, spatial planning, and the application of GIS and remote sensing for sustainable development. Currently seeking a fully funded Master's scholarship in geospatial science, urban planning, or related fields.

EDUCATION AND TRAINING

Bachelor of Urban and Regional Planning (BURP)

Chittagong University of Engineering and Technology (CUET) [01/01/2018 – 31/05/2023]

City: Chattogram | Country: Bangladesh | Final grade: CGPA: 3.20 / 4.00

Higher Secondary Certificate Examination (HSC) – Science

Dhaka Residential Model College [01/07/2015 – 23/07/2017]

City: Dhaka | Country: Bangladesh | Final grade: GPA: 5.00 / 5.00

Secondary School Certificate (SSC) – Science

Dhaka Residential Model College [01/01/2013 – 30/05/2015]

City: Dhaka | Country: Bangladesh | Final grade: GPA: 5.00 / 5.00

WORK EXPERIENCE

Sheltech Consultants Private Limited – Dhaka, Bangladesh

Assistant Urban Planner

[16/01/2024 – 31/01/2025]

Projects: Upazila Town Masterplan Projects (Cumilla, Banshkhali, Chandanaish, Kutubdia, etc.); Feasibility Study for Bangladesh Economic Zone Authority (BEZA)

1. Assisted in the preparation of **urban and regional master plans** for multiple Upazilas, including data collection, analysis, and documentation.
2. Contributed to **feasibility studies** by conducting socio-economic assessments and supporting land-use and development analysis.
3. Carried out **field surveys** (household surveys, PRA, KII) and supported data validation according to project Terms of Reference (ToR).
4. Supported **GIS-based database management**, spatial data organization, and preparation of thematic maps for planning and reporting purposes.
5. Assisted in **technical report writing**, quality checking, and submission of project deliverables.
6. Coordinated with **local authorities, clients, and stakeholders**, including LGED and joint venture partners, to support project implementation.

7. Organized and supported **workshops, meetings, and stakeholder consultations** during different phases of planning projects.
8. Supported planning processes aligned with national development policies and local governance frameworks.

 **Development Design Consultant Limited, Bangladesh** – Dhaka, Bangladesh

GIS Operator

[03/01/2023 – 30/11/2023]

Project: National Digital Land Zoning Project

1. Digitized mouza maps and conducted quality checks (QC) for accuracy.
2. Cross-checked and updated the mouza database in GIS with the latest data.
3. Generated reports of digitized mouza maps and performed topology checks.

 **Global Survey Consultants, Bangladesh** – Dhaka, Bangladesh

Internship Trainee

[12/2022 – 01/2023]

Project : Lalmonirhat Master Plan Project (2020-2041)

1. The project involved digitizing and analyzing LiDAR data, conducting field surveys, and applying GIS techniques for mapping and spatial analysis to support sustainable urban planning

SKILLS

GIS & Remote Sensing:

ArcGIS Pro / ArcMap / QGIS / Google Earth Engine / ERDAS Imagine

Programming & Data Analysis:

Python / R (intermediate) / SQL / SPSS / Machine Learning (Basic)

Field Survey & Qualitative Research:

Household Surveys / PRA / Focus Group Discussions (FGD) / Key Informant Interviews (KII)

Project & Stakeholder Coordination:

Project Coordination / Field survey supervision / Stakeholder engagement / Seminar and workshop organization

Tools & Productivity:

KoboToolbox / Microsoft Word / Excel / PowerPoint / Power BI / MS Project / Google Colab

LANGUAGE SKILLS

Mother tongue(s): Bengali

Other language(s):

English

LISTENING C1 **READING** C1 **WRITING** B2

SPOKEN PRODUCTION B2 **SPOKEN INTERACTION** B2

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

HONOURS AND AWARDS

[01/01/2023] Chittagong University of Engineering & Technology (CUET)

Technical Scholarship (Merit-Based) Awarded a merit-based technical scholarship by Chittagong University of Engineering & Technology (CUET) in recognition of consistent academic performance during the third and fourth years of undergraduate studies in Urban and Regional Planning.

[14/03/2026] Data Solution 360

Certification on Data Analyst Job Ready Bootcamp (Batch-2519) Gained practical skills in data analysis, data cleaning, visualization, SQL, Python, Power BI, and statistical methods for real-world problem solving.
